

DAY ONE

Take a leisurely drive to Cape Jervis about 90 minutes south of Adelaide and catch the Kangaroo Island Sealink car ferry to Penneshaw, a comfortable 45 minute journey. Explore Penneshaw before lunch featuring fantastic local produce at Dudley Wines cellar door. After lunch travel east to beautiful Antechamber Bay. From there continue to Cape Willoughby and tour the historic lighthouse before journeying east to Kingscote to check into your accommodation, or if you'd prefer self contained lodging book a holiday house at Emu Bay just a few kilometres down the road.

DAY TWO

Start the day in an unforgettable way with Kangaroo Island Marine Tours and a cruise along the beautiful KI coastline with the chance to enjoy the magical experience of swimming with dolphins in their natural surrounds. Head into Kingscote for lunch. Why not try fresh, locally caught fish and chips on the beach? Then spend the afternoon sampling some of the island's natural products. Drop by Island Pure Sheep Dairy and if time allows keep heading south to Emu Ridge Eucalyptus Distillery. Still remembering that lunch? Drop by Kangaroo Island Fresh Seafoods in Kingscote and pick up some of the freshest fish you can buy and head back to Emu Bay for an evening barbeque.

DAY THREE

Head west from Kingscote and Emu Bay along scenic North Coast Road. Stop for lunch at the Rockpool Cafe at Stokes Bay. From there it's just a short drive to Stokes Bay Bush Garden for a self-guided walk through a unique collection of Kangaroo Island and Australian plants. If you're holidaying with children make a bee-line for Paul's Place nearby where you can cuddle a koala, bottle-feed baby animals or hold a kangaroo. Then continue your journey along North Coast Road and if the weather is warm don't miss a swim at either Stokes Bay or Snelling Beach, two of Kangaroo Island's most beautiful beaches, before returning to your accommodation.

DAY FOUR

Check out of your accommodation and drive west across the island to Flinders Chase National Park, renowned for amazing wildlife and dramatic wind-sculpted rock formations. Try lunch at the park's Chase Café before driving to Kelly Hill Caves and a tour of this magical system of underground caves. Travel to your accommodation. Choose from options including the superb luxury of Southern Ocean Lodge and the natural bushland setting of Kangaroo Island Wilderness Retreat.

DAY FIVE

Make an early start and drive along the south coast to Vivonne Bay, proclaimed Australia's best beach. Team up with Kangaroo Island Outdoor Action for a quad bike tour along bushland trails or a kayaking expedition on Harriet River. For lunch go no further than the Vivonne Bay General Store, home of the famous whiting burger. This afternoon go sandboarding at nearby Little Sahara, an area of spectacular white sand-dunes surrounded by bush vegetation. Hire boards and toboggans at Vivonne Bay. After such an energetic day you'll deserve an early trip back to your accommodation.

DAY SIX

Allow yourself a leisurely start and head east to Seal Bay for a remarkable experience. See Australian Sea Lions in their natural environment, snoozing on the beach or in the dunes after long fishing trips at sea. Drive north and take a lunch break at Kingscote before making your way towards Penneshaw and an afternoon ferry to the mainland. But on the way stop off at Sunset Wines – one of the island's 18 labels – for great wine and stunning coastal views.
